Professional Summary:

- MBA Candidate seeking supervisory or technical role in administration, financial management, analytics, or economic analysis for a medium or large organization.
    - Proficient in taking general guidance and/or instruction and developing achievable plans, goals, and feedback to achieve quantifiable results, leveraging technology with leadership skill.
- Local Government contracting professional with four years of experience covering policy development, administration, management, and conflict resolution.
    - Excelled as administrator with limited signatory authority directing, executing, or appropriately routing for execution contractual requirements for supplies, construction services, or professional services on behalf of the organization.
- Decorated U.S. Army Veteran with twelve years of experience spanning leadership, supervision, program management, logistics, law enforcement, and management of foreign national relations.
    - Myriad awards/decorations demonstrating technical proficiency and leadership skill.
    - Flexible and adaptive leader, capable of delivering results under extreme duress.
- Various part time (or short term) experience working in several industries to include outfitter sales (entrepreneurial venture), rental management (entrepreneurial venture), corrections, agricultural production, and construction (carpentry, sheet metal, HVAC, and roofing). Exposure to myriad industries has enabled an appreciation for diversity, cross-cultural fluency, and a bottom-up understanding of organizational behavior.

Professional Experience:

Purchasing Agent **2022–2023**
City of Irving, Purchasing & Contracting Division **40+ hrs p.w.**
835 Irving Blvd
Irving, TX 75038

- **Pre-solicitation:** Provided specific knowledge on various types of contracts and methods. Assisted Department personnel in conducting Market Research, while navigating applicable contract law and regulations. Decided resource requirements, develops long-term and short-term strategies for meeting operational needs. Distinguished standards in projects spanning construction, architect design, engineering design, professional services, annual materials acquisitions, simple services acquisitions, and simplified bidding for single goods purchases.
- **Contract formation:** Administrated solicitation documents, created proper evaluation factors, and analyzed responses for responsiveness and determination of responsibility. Fluent in construction, engineering/architecture design, and specialized services within the Public Works Division. Supplements solicitations with federal or state addendums to meet requirements for specially funded projects.
- **Contract administration:** Managed solicitation by using working technical knowledge of federal, state, and local requirements. Monitored contractor performance and compliance with terms, conditions, and deliverables. Resolved discrepancies through negotiation, cure notices, and cancellation when called for.
- **High technology fluency:** Advanced knowledge in Enterprise Resourcing Program (Tyler-Munis) navigating accounting, procurement, and work order functions. Able to use various resources like the Secretary of State website or Systems for Award Management for verifying business validity. Leveraged local bidding software and Bid Net Direct to supply maximum reach for advertising solicitation.
- **Technical fluency:** Knowledge and experience spanning simplified goods purchases, services acquisitions, construction bidding, professional services sealed bidding, conducting solicitations for engineering or architectural design or management, and Indefinite Delivery Indefinite Quantity techniques. Experience in escalation, price-adjustments, cure notices, cancellation, and negotiation.
- **ESG:** Implemented and enforced environmentally friendly construction, ensuring that local, state and federal requirements were unmistakenly adhered to or exceeded. Promoted and advocated for the City's Disadvantaged Business Enterprise program. Demonstrated transparency in process to all members and worked with DBEs outside of briefings for further clarification of requirements.

Purchasing Specialist, Senior **2020–2022**
City of San Marcos, Purchasing & Contracting Division **40 hrs p.w.**
638 E. Hopkins St
San Marcos, TX 78666

- **Procurement of goods and services:** Provided "cradle to grave" administration and management for all goods and services contracts for the City of San Marcos. Held solicitations following texas municipal code, provided needs assessments, conflict management, and negotiation for extensions for over 70 contracts.
- **Asset acquisition and management:** In 2021, supplied administrative coordination for capital assets totaling more than $4m. This encompasses "needs assessment" and verification of best value, soliciting rates from the banks, coordinating financing of the equipment between the municipality and the bank, and ensuring proper delivery and payment to the vendor.
- **Purchasing and procurement:** Reviewed, approved, and audited discretionary purchases for the division. Assisted the accounting division with two annual closes, vetting over 1400 purchases each year.
- **Technical assistance and support:** Served as the primary point of contact for all technical support for discretionary purchases. Has aided, trained, and demonstrated the purchasing process for ten administrative assistants.

- **Negotiation and dispute resolution:** Served as an expert for dispute resolution and de-escalation of tense situations about contract management. Performed two contract terminations for cause, following through with the negotiation and cure-notice process.

Senior Contracting Officer's Representative **2018–2019**
U.S. Army, 351st Military Police Company **40 hrs p.w.**
Eskan Village Compound
Saudi Arabia

- **Team leadership and procurement**: Supervised 2 sergeant and managed the COR Section (25 foreign national contractors), providing team with plans, task assignments, direction, goals, deadlines, and ongoing management on complex and sensitive procurement matters.
- **Budget management and contract oversight**: Managed budget tracking on all expenditures for $4M in contracted assets. Oversaw work performed under 10 contracts for facility maintenance, security force equipment maintenance, dining facility maintenance, military transportation, office supply procurement, laundry services, local law enforcement personnel screening, and refuse and custodial services.
- **Briefing**: Briefed senior executive verbally, by teleconference, and using slide deck presentations. Created and moderated a slide-deck-based teleconference working group of three separate business units in three different countries.
- **Resource management and budget forecasting**: Used knowledge of resource management principles/techniques to forecast budgets. Guided the team through conducting a trend analysis on facility maintenance spending that resulted in a realistic budget and life-cycle turnover program, leading to increased quality of life for all residents.
- **Cost-benefit analysis and cost saving**: Performed cost-benefit analysis on HVAC systems for the entire population, resulting in overhauled SOPs with a life-cycle turnover implementation, with an estimated operational budget savings of >$10k per annum.

Other, Short Term, and Part Time Experience:

Sergeant/Team Leader/Section Leader/Shift Supervisor **2005–2017**
U.S. Army, Various locations CONUS and OCONUS **40+ hrs p.w.**

- Provided law enforcement, investigations, logistics and administrative support to various units, receiving multiple awards for distinguished performance, leadership capability, and technical expertise.

Construction Worker **2018**
Brockway Mechanical & Roofing, Burlington, IA **20-40 hrs p.w.**

- Provided construction and maintenance services to residential and commercial projects under roles as sheet metal worker, roofer, and HVAC installer. Traveled to 50% of work sites.

Rowan's Survival & Defense Tools, LLC **2015–2016**
Kansas City, MO **20 hrs p.w.**

- Start-up retail outfitting business. Led: marketing management, brand management, product design, product procurement, accounting/financing functions, e-commerce implementation and sales management.
- Traveled to 75% for sales. Performed set-up, inventory, sales, discounting, journal updating, cash management, and transportation.
- Conducted multi-national trade within the Middle East and Asia to procure products at acceptable pricing for industry margins.
